OFFICIAL STATEMENT DATED JULY 13, 2017

Ratings: S&P Insured: "AA"
S&P Underlying: "A"

NEW ISSUE - BOOK-ENTRY-ONLY **(See "OTHER INFORMATION - RATINGS" herein)**

In the opinion of Naman, Howell, Smith & Lee PLLC, Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. See "TAX MATTERS.

THE CITY HAS DESIGNATED THE BONDS AS
"QUALIFIED TAX-EXEMPT OBLIGATIONS" FOR FINANCIAL INSTITUTIONS

$3,715,000
CITY OF ITALY, TEXAS
(Ellis County)
GENERAL OBLIGATION REFUNDING BONDS, SERIES 2017

Interest to accrue from Date of Delivery **Due: August 1, as shown on the inside cover**

PAYMENT TERMS . . . Interest on the $3,715,000 City of Italy, Texas, General Obligation Refunding Bonds, Series 2017 (the "Bonds") will accrue from the Date of Delivery (as defined below) to the initial purchasers thereof, will be payable February 1 and August 1 of each year commencing February 1, 2018, and will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Bonds will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company ("DTC"), pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of $5,000 or integral multiples thereof. **No physical delivery of the Bonds will be made to the beneficial owners thereof.** Principal of and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see "THE BONDS - BOOK-ENTRY-ONLY SYSTEM"). The initial Paying Agent/Registrar is BOKF, N.A., Austin, Texas (see "THE BONDS - PAYING AGENT/REGISTRAR").

AUTHORITY FOR ISSUANCE . . . The Bonds are issued pursuant to the constitution and general laws of the State of Texas (the "State"), including Chapter 1207, Texas Government Code, as amended, and an ordinance adopted by the City Council of the City of Italy, Texas (the "City") authorizing the issuance of the Bonds and a pricing certificate executed pursuant thereto (collectively, the "Ordinance") (see "THE BONDS - AUTHORITY FOR ISSUANCE OF THE BONDS").

PURPOSE . . . Proceeds from the sale of the Bonds will be used to refund certain obligations of the City described in Schedule I (the "Refunded Obligations") for debt service savings and to pay the costs associated with the issuance of the Bonds (see "PLAN OF FINANCING - SOURCES AND USES OF FUNDS").

SECURITY AND SOURCE OF PAYMENT. . . The Bonds constitute direct obligations of the City, payable from the levy and collection of a direct and continuing ad valorem tax, within the limits prescribed by law, on all taxable property within the City, as provided in the Ordinance (see "THE BONDS - SECURITY AND SOURCE OF PAYMENT").

OPTIONAL REDEMPTION . . . The City reserves the right, at its option, to redeem Bonds having stated maturities on and after August 1, 2028, in whole or in part in principal amounts of $5,000 or any integral multiple thereof, on August 1, 2027, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption (see "THE BONDS - OPTIONAL REDEMPTION).

INSURANCE . . . The scheduled payment of principal and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy to be issued concurrently with the delivery of the Bonds by BUILD AMERICA MUTUAL ASSURANCE COMPANY.

See Maturity Schedule on the inside cover

LEGALITY . . . The Bonds are offered for delivery when, as and if issued and received by the underwriter listed below (the "Underwriter") and subject to the approving opinion of the Attorney General of Texas and the opinion of Naman, Howell, Smith & Lee PLLC, Waco, Texas, Bond Counsel (see APPENDIX D, "FORM OF BOND COUNSEL OPINION"). Certain legal matters will be passed upon for the Underwriter by Orrick, Herrington & Sutcliff LLP, Houston, Texas, Counsel for the Underwriter.

DELIVERY . . . It is expected that the Bonds will be available for delivery through the facilities of DTC on August 1, 2017 ("Date of Delivery").

RAYMOND JAMES

No dealer, broker, salesman or other person has been authorized by the City or the Underwriter to give any information, or to make any representations other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by the City or the Underwriter. This Official Statement does not constitute an offer to sell Bonds in any jurisdiction to any person to whom it is unlawful to make such offer in such jurisdiction.

Certain information set forth herein has been obtained from the City and other sources which are believed to be reliable but is not guaranteed as to accuracy or completeness, and is not to be construed as a representation by the Financial Advisor or the Underwriter. Any information and expressions of opinion herein contained are subject to change without notice, and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the City or other matters described herein since the date hereof.

IN CONNECTION WITH THE OFFERING OF THE BONDS, THE UNDERWRITER MAY OVER-ALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICES OF THE BONDS AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

NONE OF THE CITY, ITS FINANCIAL ADVISOR, OR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE INFORMATION CONTAINED IN THIS OFFICIAL STATEMENT REGARDING THE DEPOSITORY TRUST COMPANY OR ITS BOOK-ENTRY ONLY SYSTEM.

THE BONDS ARE EXEMPT FROM REGISTRATION WITH THE SECURITIES AND EXCHANGE COMMISSION AND CONSEQUENTLY HAVE NOT BEEN REGISTERED THEREWITH. THE REGISTRATION, QUALIFICATION, OR EXEMPTION OF THE BONDS IN ACCORDANCE WITH APPLICABLE SECURITIES LAW PROVISIONS OF THE JURISDICTIONS IN WHICH THESE SECURITIES HAVE BEEN REGISTERED, QUALIFIED, OR EXEMPTED SHOULD NOT BE REGARDED AS A RECOMMENDATION THEREOF.

The agreements of the City and others related to the Bonds are contained solely in the contracts described herein. Neither this Official Statement nor any other statement made in connection with the offer or sale of the Bonds is to be construed as constituting an agreement with the purchasers of the Bonds. INVESTORS SHOULD READ THE ENTIRE OFFICIAL STATEMENT, INCLUDING ALL APPENDICES ATTACHED HERETO, TO OBTAIN INFORMATION ESSENTIAL TO MAKING AN INFORMED INVESTMENT DECISION.

The Underwriter has provided the following sentence for inclusion in this Official Statement. The Underwriter has reviewed the information in this Official Statement in accordance with, and as part of its responsibilities to investors under federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information.

Build America Mutual Assurance Company ("BAM") makes no representation regarding the Bonds or the advisability of investing in the Bonds. In addition, BAM has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding BAM, supplied by BAM and presented under the heading "Bond Insurance" and "Appendix E - Specimen Municipal Bond Insurance Policy."

APPENDICES

FINANCIAL INFORMATION FOR THE CITY ..... A
GENERAL INFORMATION REGARDING THE CITY ..... B
AUDITED FINANCIAL STATEMENTS DATED SEPTEMBER 30, 2016 C
FORM OF BOND COUNSEL OPINION ..... D
SPECIMEN MUNICIPAL BOND INSURANCE POLICY ..... E

BOND INSURANCE

BOND INSURANCE POLICY

Concurrently with the issuance of the Bonds, Build America Mutual Assurance Company ("BAM") will issue its Municipal Bond Insurance Policy for the Bonds (the "Policy"). The Policy guarantees the scheduled payment of principal of and interest on the Bonds when due as set forth in the form of the Policy included as an exhibit to this Official Statement.

The Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

BUILD AMERICA MUTUAL ASSURANCE COMPANY

BAM is a New York domiciled mutual insurance corporation. BAM provides credit enhancement products solely to issuers in the U.S. public finance markets. BAM will only insure obligations of states, political subdivisions, integral parts of states or political subdivisions or entities otherwise eligible for the exclusion of income under section 115 of the U.S. Internal Revenue Code of 1986, as amended. No member of BAM is liable for the obligations of BAM.

The address of the principal executive offices of BAM is: 200 Liberty Street, 27th Floor, New York, New York 10281, its telephone number is: 212-235-2500, and its website is located at: www.buildamerica.com.

BAM is licensed and subject to regulation as a financial guaranty insurance corporation under the laws of the State of New York and in particular Articles 41 and 69 of the New York Insurance Law.

BAM's financial strength is rated "AA/Stable" by S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC ("S&P"), which rating was affirmed on June 26, 2017. An explanation of the significance of the rating and current reports may be obtained from S&P at www.standardandpoors.com. The rating of BAM should be evaluated independently. The rating reflects the S&P's current assessment of the creditworthiness of BAM and its ability to pay claims on its policies of insurance. The above rating is not a recommendation to buy, sell or hold the Bonds, and such rating is subject to revision or withdrawal at any time by S&P, including withdrawal initiated at the request of BAM in its sole discretion. Any downward revision or withdrawal of the above rating may have an adverse effect on the market price of the Bonds. BAM only guarantees scheduled principal and scheduled interest payments payable by the issuer of the Bonds on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the Policy), and BAM does not guarantee the market price or liquidity of the Bonds, nor does it guarantee that the rating on the Bonds will not be revised or withdrawn.

Capitalization of BAM

BAM's total admitted assets, total liabilities, and total capital and surplus, as of March 31, 2017 and as prepared in accordance with statutory accounting practices prescribed or permitted by the New York State Department of Financial Services were $504.2 million, $71.5 million and $432.7 million, respectively.

BAM is party to a first loss reinsurance treaty that provides first loss protection up to a maximum of 15% of the par amount outstanding for each policy issued by BAM, subject to certain limitations and restrictions.

BAM's most recent Statutory Annual Statement, which has been filed with the New York State Insurance Department and posted on BAM's website at www.buildamerica.com, is incorporated herein by reference and may be obtained, without charge, upon request to BAM at its address provided above (Attention: Finance Department). Future financial statements will similarly be made available when published.

BAM makes no representation regarding the Bonds or the advisability of investing in the Bonds. In addition, BAM has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding BAM, supplied by BAM and presented under the heading "BOND INSURANCE".

Additional Information Available from BAM

Credit Insights Videos. For certain BAM-insured issues, BAM produces and posts a brief Credit Insights video that provides a discussion of the obligor and some of the key factors BAM's analysts and credit committee considered when

approving the credit for insurance. The Credit Insights videos are easily accessible on BAM's website at buildamerica.com/creditinsights/. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Credit Profiles. Prior to the pricing of bonds that BAM has been selected to insure, BAM may prepare a pre-sale Credit Profile for those bonds. These pre-sale Credit Profiles provide information about the sector designation (e.g. general obligation, sales tax); a preliminary summary of financial information and key ratios; and demographic and economic data relevant to the obligor, if available. Subsequent to closing, for any offering that includes bonds insured by BAM, any pre-sale Credit Profile will be updated and superseded by a final Credit Profile to include information about the gross par insured by CUSIP, maturity and coupon. BAM pre-sale and final Credit Profiles are easily accessible on BAM's website at buildamerica.com/obligor/. BAM will produce a Credit Profile for all bonds insured by BAM, whether or not a pre-sale Credit Profile has been prepared for such bonds. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

Disclaimers. The Credit Profiles and the Credit Insights videos and the information contained therein are not recommendations to purchase, hold or sell securities or to make any investment decisions. Credit-related and other analyses and statements in the Credit Profiles and the Credit Insights videos are statements of opinion as of the date expressed, and BAM assumes no responsibility to update the content of such material. The Credit Profiles and Credit Insight videos are prepared by BAM; they have not been reviewed or approved by the issuer of or the underwriter for the Bonds, and the issuer and underwriter assume no responsibility for their content.

BAM receives compensation (an insurance premium) for the insurance that it is providing with respect to the Bonds. Neither BAM nor any affiliate of BAM has purchased, or committed to purchase, any of the Bonds, whether at the initial offering or otherwise.

(*Remainder of Page Intentionally Left Blank*)

OFFICIAL STATEMENT SUMMARY

This summary is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement. The offering of the Bonds to potential investors is made only by means of this entire Official Statement. No person is authorized to detach this summary from this Official Statement or to otherwise use it without the entire Official Statement.

THE CITY	The City of Italy, Texas (the "City") is a political subdivision and municipal corporation of the State of Texas, located in Ellis County, Texas (see "INTRODUCTION - DESCRIPTION OF CITY" and "APPENDIX B - GENERAL INFORMATION REGARDING THE CITY").
THE BONDS	The $3,715,000 City of Italy, Texas, General Obligation Refunding Bonds, Series 2017 (the "Bonds") are issued as serial bonds maturing on August 1, 2018 through August 1, 2032, inclusive (see "THE BONDS - DESCRIPTION OF THE BONDS").
PAYMENT OF INTEREST	Interest on the Bonds accrues from the date of delivery to the initial purchasers thereof (the "Date of Delivery"), and is payable February 1, 2018, and each February 1 and August 1 thereafter until maturity or prior redemption (see "THE BONDS - DESCRIPTION OF THE BONDS").
AUTHORITY FOR ISSUANCE OF THE BONDS	The Bonds are issued pursuant to the general laws of the State, including particularly Chapter 1207, Texas Government Code, as amended, and an ordinance adopted by the City Council of the City authorizing the issuance of the Bonds and a pricing certificate executed pursuant thereto (collectively, the "Ordinance") (see "THE BONDS - AUTHORITY FOR ISSUANCE OF THE BONDS").
SECURITY FOR THE BONDS	The Bonds constitute direct obligations of the City, payable from the levy and collection of a direct and continuing ad valorem tax, within the limits prescribed by law, on all taxable property within the City, as provided in the Ordinance (see "THE BONDS - SECURITY AND SOURCE OF PAYMENT").
REDEMPTION	The City reserves the right, at its option, to redeem Bonds having stated maturities on and after August 1, 2028, in whole or in part in principal amounts of $5,000 or any integral multiple thereof, on August 1, 2027, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption (see "THE BONDS - NO OPTIONAL REDEMPTION").
TAX EXEMPTION	In the opinion of Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. See "TAX MATTERS. See "TAX MATTERS" for a discussion of the opinion of Bond Counsel, including a description of alternative minimum tax consequences for corporations.
QUALIFIED TAX EXEMPT OBLIGATIONS	The City has designated the Bonds as "qualified tax-exempt obligations". (See "TAX MATTERS – PURCHASE OF TAX-EXEMPT OBLIGATIONS BY FINANCIAL INSTITUTIONS" herein.)
USE OF PROCEEDS	Proceeds from the sale of the Bonds will be used to refund certain obligations of the City described in Schedule I (the "Refunded Obligations") for debt service savings and to pay the costs associated with the issuance of the Bonds (see "PLAN OF FINANCING - SOURCES AND USES OF FUNDS").

RATINGS	The Bonds are rated "AA" by S&P Global Ratings, a division of Standard & Poor's Financial Services LLC ("S&P") based upon the Municipal Bond Insurance Policy to be issued by Build America Mutual Assurance Company. The Bonds have also been assigned an underlying rating "A" by S&P. An explanation of the significance of such rating may be obtained from S&P (see "RATINGS" herein).
BOOK-ENTRY-ONLY SYSTEM	The definitive Bonds will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company ("DTC") pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of $5,000 or integral multiples thereof. No physical delivery of the Bonds will be made to the beneficial owners thereof. Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see "THE BONDS - BOOK-ENTRY-ONLY SYSTEM").
PAYMENT RECORD	The City has never defaulted on the payment of its bonded indebtedness.

OFFICIAL STATEMENT

RELATING TO

$3,715,000
CITY OF ITALY
GENERAL OBLIGATION REFUNDING BONDS,
SERIES 2017

INTRODUCTION

This Official Statement, which includes the cover pages, Schedule I, and Appendices hereto, provides certain information regarding the issuance of $3,715,000 City of Italy, Texas, General Obligation Refunding Bonds, Series 2017 (the "Bonds"). Capitalized terms used in this Official Statement have the same meanings assigned to such terms in the ordinance of the City Council of the City of Italy, Texas (the "City"), authorizing the issuance of the Bonds and the pricing certificate executed pursuant thereto (collectively, the "Ordinance") except as otherwise indicated herein.

There follows in this Official Statement descriptions of the Bonds and certain information regarding the City and its finances. All descriptions of documents contained herein are only summaries and are qualified in their entirety by reference to each such document. Copies of such documents may be obtained from the City's Financial Advisor, Government Capital Securities Corporation, Southlake, Texas.

DESCRIPTION OF THE CITY

The City is a political subdivision and Type A general law municipal corporation of the State of Texas (the "State"), duly organized and existing under the laws of the State. The City Council is comprised of the Mayor and five Councilmembers. The term of office is two years with the terms of the Mayor and two of the Councilmembers' terms expiring in odd-numbered years and the other terms of the three Councilmembers expiring in even-numbered years. Some of the services that the City provides are: public safety (police protection), highways and streets, water and sanitary sewer utilities, animal control, public improvements, planning and zoning, and general administrative services. The 2000 Census population was 1,993, and the 2010 Census population was 1,863. The 2015 estimated population for the City is 1,897.

PLAN OF FINANCING

PURPOSE

Proceeds from the sale of the Bonds will be used to refund certain obligations of the City described in Schedule I (the "Refunded Obligations") for debt service savings and to pay the costs associated with the issuance of the Bonds (see "SOURCES AND USES OF FUNDS").

REFUNDED OBLIGATIONS

The principal and interest due on the Refunded Obligations are to be paid on the scheduled interest payment dates and the redemption date of the Refunded Obligations, from funds to be deposited by the City in the amount necessary to accomplish the discharge and final payment of the Refunded Obligations. For more information regarding the Refunded Obligations, see "SCHEDULE I - Refunded Obligations.

SOURCES AND USES OF FUNDS

The proceeds from the sale of the Bonds will be applied approximately as follows:

Sources of Funds	
Principal Amount	$3,715,000.00
Premium	256,240.65
Total	$3,971,240.65
Uses of Funds	
Refunding Deposit	$3,870,000.00
Costs of Issuance[(1)]	98,195.07
Deposit to Debt Service fund	3,045.58
Total	$3,971,240.65

(1) Includes Underwriter's Discount.

THE BONDS

DESCRIPTION OF THE BONDS

Interest on the Bonds will accrue from the Date of Delivery, and the Bonds mature on August 1 in each of the years and in the amounts shown on the inside cover page hereof. Interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months, and will be payable on February 1 and August 1, commencing February 1, 2018. The Bonds will be issued only in fully registered form in any integral multiple of $5,000 for any one maturity and will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company, New York, New York ("DTC") pursuant to the Book-Entry-Only System described herein. No physical delivery of the Bonds will be made to the beneficial owners thereof. Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar, initially BOKF, N.A., Austin, Texas, to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see "BOOK-ENTRY-ONLY SYSTEM").

AUTHORITY FOR ISSUANCE OF THE BONDS

The Bonds are being issued pursuant to the Constitution and general laws of the State of Texas, including particularly Chapter 1207, Texas Government Code, as amended, and the Ordinance.

SECURITY AND SOURCE OF PAYMENT

The Bonds are direct obligations of the City, payable from a continuing, direct annual ad valorem tax levied, within the limits prescribed by law, on all taxable property in the City. See "TAX INFORMATION."

OPTIONAL REDEMPTION

The City reserves the right, at its option, to redeem Bonds having stated maturities on and after August 1, 2028, in whole or in part in principal amounts of $5,000 or any integral multiple thereof, on August 1, 2027, or any date thereafter, at the par value thereof plus accrued interest to the date of redemption. If less than all of the Bonds of any maturity are to be redeemed, the Paying Agent/Registrar (or DTC while the Bonds are in Book-Entry-Only form) shall determine by lot the Bonds, or portions thereof, within such maturity to be redeemed. If a Bond (or any portion of the principal sum thereof) shall have been called for redemption and notice of such redemption shall have been given, such Bond (or the principal amount thereof to be redeemed) shall become due and payable on such redemption date and interest thereon shall cease to accrue from and after the redemption date, provided funds for the payment of the redemption price and accrued interest thereon are held by the Paying Agent/Registrar on the redemption date.

NOTICE OF REDEMPTION

Not less than 30 days prior to a redemption date for the Bonds, the City shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the registered owners of the Bonds to be redeemed, in whole or in part, at the address of the registered owner appearing on the registration books of the Paying Agent/Registrar. ANY NOTICE SO MAILED SHALL BE CONCLUSIVELY PRESUMED TO HAVE BEEN DULY GIVEN, WHETHER OR NOT THE REGISTERED OWNER RECEIVES SUCH NOTICE. NOTICE HAVING BEEN SO GIVEN, THE BONDS CALLED FOR REDEMPTION SHALL BECOME DUE AND PAYABLE ON THE SPECIFIED REDEMPTION DATE, AND NOTWITHSTANDING THAT ANY BOND OR PORTION THEREOF HAS NOT BEEN SURRENDERED FOR PAYMENT, INTEREST ON SUCH BOND OR PORTION THEREOF SHALL CEASE TO ACCRUE.

The City reserves the right to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain outstanding.

BOOK-ENTRY-ONLY SYSTEM

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by The Depository Trust Company ("DTC"), New York, New York, while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The City believes the source of such information to be reliable, but takes no responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Trust Company ("DTC") New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly- owned subsidiary of The Depository Trust &

Clearing City ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing City and Fixed Income Clearing City, all of which are registered clearing agencies. DTC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of The Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the register and request that copies of the notices be provided directly to them.

Redemption notices for the Bonds shall be sent to DTC. If less than all of the Bonds of a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent/Registrar of each series, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent/Registrar of each series, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or Paying Agent/Registrar of each series, disbursement of such payments to

Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

USE OF CERTAIN TERMS IN OTHER SECTIONS OF THIS OFFICIAL STATEMENT . . . In reading this Official Statement it should be understood that while the Bonds are in the Book-Entry-Only System, references in other sections of this Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System, and (ii) except as described above, notices that are to be given to registered owners under the Ordinance will be given only to DTC.

Information concerning DTC and the Book-Entry-Only System has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by the City, the Financial Advisor, or the Underwriter.

EFFECT OF TERMINATION OF BOOK-ENTRY-ONLY SYSTEM . . . In the event that the Book-Entry-Only System is discontinued by DTC or the use of the Book-Entry-Only System is discontinued by the City, printed certificates will be issued to the holders and the Bonds will be subject to transfer, exchange and registration provisions as set forth in the Ordinance and summarized under "THE BONDS - TRANSFER, EXCHANGE AND REGISTRATION" below. Discontinuance by the City of DTC's Book-Entry-Only system may require consent of participants under DTC operations and arrangements.

PAYING AGENT/REGISTRAR

The initial Paying Agent/Registrar is BOKF, N.A., Austin, Texas. In the Ordinance, the City retains the right to replace the Paying Agent/Registrar. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are duly paid and any successor Paying Agent/Registrar shall be a commercial bank or trust company organized under the laws of the State, or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar for the Bonds. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each registered owner of the Bonds by United States mail, first class, postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

TRANSFER, EXCHANGE AND REGISTRATION

In the event the Book-Entry-Only System should be discontinued, the Bonds may be transferred and exchanged on the registration books of the Paying Agent/Registrar only upon presentation and surrender to the Paying Agent/Registrar and such transfer or exchange shall be without expense or service charge to the registered owner, except for any tax or other governmental charges required to be paid with respect to such registration, exchange and transfer. Bonds may be assigned by the execution of an assignment form on the respective Bonds or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bonds being transferred or exchanged, at the principal payment office of the Paying Agent/Registrar, or sent by United States mail, first class, postage prepaid, to the new registered owner or his designee. New Bonds registered and delivered in an exchange or transfer shall be in any integral multiple of $5,000 for any one maturity and for a like aggregate principal amount as the Bonds surrendered for exchange or transfer. See "BOOK-ENTRY-ONLY SYSTEM" herein for a description of the system to be utilized initially in regard to ownership and transferability of the Bonds.

RECORD DATE FOR INTEREST PAYMENT

The record date ("Record Date") for the interest payable on the Bonds on any interest payment date means the close of business on the 15th day of the preceding month.

In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest ("Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail,

first class postage prepaid, to the address of each Holder of Bonds appearing on the registration books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

DEFEASANCE

The City reserves the right to defease the Bonds in any manner now or hereafter allowed by law.

REMEDIES OF HOLDERS OF THE BONDS

The Ordinance does not provide for the appointment of a trustee to represent the interests of the holders of the Bonds upon any failure of the City to perform in accordance with the terms of the Ordinance or upon any other condition and, in the event of any such failure to perform, the registered owners would be responsible for the initiation and cost of any legal action to enforce performance of the Ordinance. Furthermore, the Ordinance does not establish specific events of default with respect to the Bonds and, under Stat e law, there is no right to the acceleration of maturity of the Bonds upon the failure of the City to observe any covenant under the Ordinance. A registered owner of the Bonds could seek a judgment against the City if a default occurred in the payment of principal of or interest on any such Bond; however, such judgment could not be satisfied by execution against any property of the City and a suit for monetary damages could be vulnerable to the defense of sovereign immunity. A registered owner's only practical remedy, if a default occurs, is a mandamus or mandatory injunction proceeding to compel the City to levy, assess and collect an annual ad valorem tax sufficient to pay principal of and interest on the Bonds as it becomes due or perform other material terms and covenants contained in the Ordinance. However, the enforcement of any such remedy may be difficult and time consuming and a registered owner could be required to enforce such remedy on a periodic basis.

The City is also eligible to seek relief from its creditors under Chapter 9 of the U.S. Bankruptcy Code ("Chapter 9"). Although Chapter 9 provides for the recognition of a security interest represented by a specifically pledged source of revenues, the pledge of taxes in support of a general obligation of a bankrupt entity is not specifically recognized as a security interest under Chapter 9. Chapter 9 also includes an automatic stay provision that would prohibit, without Bankruptcy Court approval, the prosecution of any other legal action by creditors or Bondholders of an entity which has sought protection under Chapter 9. Therefore, should the City avail itself of Chapter 9 protection from creditors, the ability to enforce would be subject to the approval of the Bankruptcy Court (which could require that the action be heard in Bankruptcy Court instead of other federal or state court); and the Bankruptcy Code provides for broad discretionary powers of a Bankruptcy Court in administering any proceeding brought before it. The opinion of Bond Counsel will note that all opinions relative to the enforceability of the Ordinance and the Bonds are qualified with respect to the customary rights of debtors relative to their creditors, including rights afforded to creditors under the Bankruptcy Code.

TAX INFORMATION

AD VALOREM TAX LAW

The appraisal of property within the City is the responsibility of the Ellis County Appraisal District (the "Appraisal District"). Excluding agricultural and open-space land, which may be taxed on the basis of productive capacity, the Appraisal District is required under the Property Tax Code to appraise all property within the Appraisal District on the basis of 100% of its market value and is prohibited from applying any assessment ratios. In determining market value of property, different methods of appraisal may be used, including the cost method of appraisal, the income method of appraisal and market data comparison method of appraisal, and the method considered most appropriate by the chief appraiser is to be used. State law further limits the appraised value of a residence homestead for a tax year to an amount not to exceed the lesser of (1) the market value of the property, or (2) the sum of (a) 10% of the appraised value of the property for the last year in which the property was appraised for taxation times the number of years since the property was last appraised, plus (b) the appraised value of the property for the last year in which the property was appraised plus (c) the market value of all new improvements to the property. The value placed upon property within the Appraisal District is subject to review by an Appraisal Review Board, consisting of three members appointed by the Board of Directors of the Appraisal District. The Appraisal District is required to review the value of property within the Appraisal District at least every three years. The City may require annual review at its own expense, and is entitled to challenge the determination of appraised value of property within the City by petition filed with the Appraisal Review Board.

Reference is made to Title I of the Texas Tax Code (the "Property Tax Code"), for identification of property subject to taxation; property exempt or which may be exempted from taxation, if claimed; the appraisal of property for ad valorem taxation purposes; and the procedures and limitations applicable to the levy and collection of ad valorem taxes.

Article VIII of the State Constitution ("Article VIII") and State law provide for certain exemptions from property taxes, the valuation of agricultural and open-space lands at productivity value, and the exemption of certain personal property from ad valorem taxation.

Under Section 1-b, Article VIII, and State law, the governing body of a political subdivision, at its option, may grant an exemption of not less than $3,000 of the market value of the residence homestead of persons 65 years of age or older and the disabled from all ad valorem taxes thereafter levied by the political subdivision. Additionally, the governing body of a political subdivision may grant an exemption of up to 20% of the market value of all residence homesteads, with a minimum exemption of $5,000. Pursuant to a constitutional amendment approved by the voters on November 3, 2015 and Senate Bill 1 passed by the 84th Legislature, cities may not reduce the amount of or repeal an optional homestead exemption granted for the 2014 tax year (fiscal year 2015) for a period running through December 31, 2019.

The surviving spouse of an individual who qualifies for the foregoing exemption for the residence homestead of a person 65 or older (but not the disabled) is entitled to an exemption for the same property in an amount equal to that of the exemption for which the deceased spouse qualified if (i) the deceased spouse died in a year in which the deceased spouse qualified for the exemption, (ii) the surviving spouse was at least 55 years of age at the time of the death of the individual's spouse and (iii) the property was the residence homestead of the surviving spouse when the deceased spouse died and remains the residence homestead of the surviving spouse.

In the case of residence homestead exemptions granted under Section 1-b, Article VIII, ad valorem taxes may continue to be levied against the value of homesteads exempted where ad valorem taxes have previously been pledged for the payment of debt if cessation of the levy would impair the obligation of the contract by which the debt was created.

State law and Section 2, Article VIII, mandate an additional property tax exemption for disabled veterans or the surviving spouse or children of a deceased veteran who died while on active duty in the armed forces; the exemption applies to either real or personal property with the amount of assessed valuation exempted ranging from $5,000 to a maximum of $12,000. A disabled veteran (and their surviving spouse) who receives from the United States Department of Veterans Affairs or its successor a rating of 100% disabled is entitled to an exemption from taxation of the total appraised value of the resident's homestead. The surviving spouse of a 100% disabled veteran who died prior to the effective date of the homestead exemption is entitled to exemption, but only if the surviving spouse has not remarried since the death of the disabled veteran. A partially disabled veteran or the surviving spouses of a partially disabled veteran is entitled to an exemption from taxation of a percentage of the appraised value of their residence homestead in an amount equal to the partially disabled veteran's disability rating if the residence homestead was donated by a charitable organization. Also, the surviving spouse of a member of the armed forces who was killed in action is, subject to certain conditions, entitled to an exemption of the total appraised value of the surviving spouse's residence homestead, and subject to certain conditions, an exemption up to the same amount may be transferred to a subsequent residence homestead of the surviving spouse.

Article VIII provides that eligible owners of both agricultural land (Section 1-d) and open-space land (Section 1-d-1), including open- space land devoted to farm or ranch purposes or open-space land devoted to timber production, may elect to have such property appraised for property taxation on the basis of its productive capacity. The same land may not be qualified under both Section 1-d and 1-d-1.

Nonbusiness personal property, such as automobiles or light trucks, are exempt from ad valorem taxation unless the governing body of a political subdivision elects to tax this property. Boats owned as nonbusiness property are exempt from ad valorem taxation.

Article VIII, Section 1-j, provides for "freeport property" to be exempted from ad valorem taxation. Freeport property is defined as goods detained in Texas for 175 days or less for the purpose of assembly, storage,

manufacturing, processing or fabrication. Decisions to continue to tax may be reversed in the future; decisions to exempt freeport property are not subject to reversal.

Article VIII, Section 1-n of the Texas Constitution provides for the exemption from taxation of "goods-in-transit." "Goods-in-transit" is defined by a provision of the Tax Code, which is effective for tax years 2008 and thereafter, as personal property acquired or imported into Texas and transported to another location in the State or outside of the State within 175 days of the date the property was acquired or imported into Texas. The exemption excludes oil, natural gas, petroleum products, aircraft and special inventory, including motor vehicle, vessel and out-board motor, heavy equipment and manufactured housing inventory. The Tax Code provision permits local governmental entities, on a local option basis, to take official action by January 1 of the year preceding a tax year, after holding a public hearing, to tax goods-in-transit beginning the following tax year. A taxpayer may receive only one of the freeport exemptions or the goods-in-transit exemptions for items of personal property.

The City may create tax increment financing zones, under which the tax values on property in the zone are "frozen" at the value of the property at the time of creation of the zone. Tax revenues collected on values above the "frozen" value must be deposited in a tax increment fund for the zone. The City also may enter into tax abatement agreements to encourage economic development. Under the agreements, a property owner agrees to construct certain improvements on its property. The City in turn exempts from taxation all or part of the increased value attributable to the improvements until the expiration of the agreement. The abatement agreement could last for a period of up to 10 years.

Cities are also authorized, pursuant to Chapter 380, Texas Local Government Code ("Chapter 380") to establish programs to promote state or local economic development and to stimulate business and commercial activity in the City. In accordance with a program established pursuant to Chapter 380, the City may make loans or grant of public funds for economic development purposes; however, no obligations secured by ad valorem taxes may be issued for such purposes unless approved by voters of the City.

Under Article VIII and State law, the governing body of a county, municipality or junior college district, may freeze the total amount of ad valorem taxes levied on the residence homestead of a disabled person or persons 65 years of age or older to the amount of taxes imposed in the year such residence qualified for such exemption. Also, upon receipt of a petition signed by five percent of the registered voters of the county, municipality or junior college district, an election must be held to determine by majority vote whether to establish such a limitation on taxes paid on residence homesteads of persons 65 years of age or who are disabled. Upon providing for such exemption, such freeze on ad valorem taxes is transferable to a different residence homestead. Also, a surviving spouse of a taxpayer who qualifies for the freeze on ad valorem taxes is entitled to the same exemption so long as the property was the residence homestead of the surviving spouse when the deceased spouse died and remains the residence homestead of the surviving spouse and the spouse was at least 55 years of age at the time of the death of the individual's spouse. If improvements (other than repairs or improvements required to comply with governmental requirements) are made to the property, the value of the improvements is taxed at the then current tax rate, and the total amount of taxes imposed is increased to reflect the new improvements with the new amount of taxes then serving as the ceiling on taxes for the following years. Once established, the tax rate limitation may not be repealed or rescinded. The City can make no representations or predictions concerning the impact such tax limitation would have on the City's tax rate, financial condition or ability to make debt service payments.

EFFECTIVE TAX RATE AND ROLLBACK TAX RATE

By each September 1 or as soon thereafter as practicable, the City Council adopts a tax rate per $100 taxable value for the current year. The City Council will be required to adopt the annual tax rate for the City before the later of September 30 or the 60th day after the date the certified appraisal roll is received by the City. If the City Council does not adopt a tax rate by such require d date the tax rate for that tax year is the lower of the effective tax rate calculated for that tax year or the tax rate adopted by the City for the preceding tax year. The tax rate consists of two components: (1) a rate for funding of maintenance and operation expenditures, and (2) a rate for debt service.

Under the Property Tax Code, the City must annually calculate and publicize its "effective tax rate" and "rollback tax rate." Effective 2005, a tax rate cannot be adopted by the City Council that exceeds the lower of the rollback tax rate or the effective tax rate until two public hearings have been held on the proposed tax rate following notice of such public hearings (including the requirement that notice be posted on the City's website if the City owns,

operates or controls an internet website and public notice be given by television if the City has free access to a television channel) and the City Council has otherwise complied with the legal requirements for the adoption of such tax rate. If the adopted tax rate exceeds the rollback tax rate the qualified voters of the City by petition may require that an election be held to determine whether or not to reduce the tax rate adopted for the current year to the rollback tax rate.

"Effective tax rate" means the rate that will produce last year's total tax levy (adjusted) from this year's total taxable values (adjusted). "Adjusted" means lost values are not included in the calculation of last year's taxes and new values are not included in this year's taxable values.

"Rollback tax rate" means the rate that will produce last year's maintenance and operation tax levy (adjusted) from this year's values (adjusted) multiplied by 1.08 plus a rate that will produce this year's debt service from this year's values (unadjusted) divided by the anticipated tax collection rate.

The Property Tax Code provides that certain cities and counties in the State may submit a proposition to the voters to authorize an additional one-half cent sales tax on retail sales of taxable items. If the additional tax is levied, the effective tax rate and the rollback tax rate calculations are required to be offset by the revenue that will be generated by the sales tax in the current year.

Reference is made to the Property Tax Code for definitive requirements for the levy and collection of ad valorem taxes and the calculation of the various defined tax rates.

PROPERTY ASSESSMENT AND TAX PAYMENT

Property within the City is generally assessed as of January 1 of each year. Business inventory may, at the option of the taxpayer, be assessed as of September 1. Oil and gas reserves are assessed on the basis of a valuation process which uses an average of the daily price of oil and gas for the prior year. Taxes become due October 1 of the same year, and become delinquent on February 1 of the following year. Taxpayers 65 years old or older are permitted by State law to pay taxes on homesteads in four installments with the first due on February 1 of each year and the final installment due on August 1.

PENALTIES AND INTEREST

Charges for penalty and interest on the unpaid balance of delinquent taxes are made as follows:

Month	Cumulative Penalty	Cumulative Interest	Total
February	6%	1%	7%
March	7	2	9
April	8	3	11
May	9	4	13
June	10	5	15
July	12	6	18

After July, penalty remains at 12%, and interest increases at the rate of 1% each month. In addition, if an account is delinquent in July, a 15% attorney's collection fee is added to the total tax penalty and interest charge. Under certain circumstances, taxes which become delinquent on the homestead of a taxpayer 65 years old or older incur a penalty of 8% per annum with no additional penalties or interest assessed. In general, property subject to the City's lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. Federal law does not allow for the collection of penalty and interest against an estate in bankruptcy. Federal bankruptcy law provides that an automatic stay of action by creditors and other entities, including governmental units, goes into effect with the filing of any petition in bankruptcy. The automatic stay prevents governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In many cases post-petition taxes are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

CITY APPLICATION OF TAX CODE

The City grants an exemption to the market value of the residence homestead of persons 65 years of age or older of $3,000.

The City does not grant an additional exemption for residence homesteads.

The City has adopted the tax freeze for citizens who are disabled or are 65 years of age or older, effective January 1, 2004. Ad valorem taxes are levied by the City against the exempt value of residence homesteads for the payment of debt.

The City does not tax nonbusiness personal property.

The City does not tax freeport property.

Ellis County collects taxes for the City. The City does not permit split payments, and discounts are not allowed.

The City has not adopted a tax abatement policy.

MUNICIPAL SALES TAX

The City has adopted the provisions of V.A.T.C.S. Tax Code § 321.001 et seq., which grants the City the power to impose and levy a 1% Local Sales and Use Tax within the City. The proceeds of such tax are credited to the General Fund and are not pledged to payment of the Bonds. Collections and enforcements are effected through the offices of the State Comptroller of Public Accounts, who monthly remits the proceeds of the tax, after deduction of a 2% service fee, to the City.

The Tax Code provides certain cities and counties the option of assessing a maximum one-half percent (1/2%) sales tax on retail sales of taxable items for the purpose of reducing its ad valorem taxes, if approved by a majority of the voters in a local option election. If the additional tax is approved and levied, the ad valorem property tax levy must be reduced by the estimated amount of the sales tax revenues to be generated in the current year. Subject to the approval of a majority of the voters in a local option election, state law also provides certain cities the option of assessing a sales and use tax for a variety of other purposes, including economic and industrial development, municipal street maintenance and repair, and sports and community venues.

State law limits the maximum aggregate sales and use tax rate in any area to 8¼%. Accordingly, the collection of local sales and use taxes in the area of the City (including sales and use taxes levied by the City) is limited to no more than 2% (when combined with the State sales and use tax rate of 6¼%).

TAX RATE LIMITATIONS

All taxable property within the City is subject to the assessment, levy and collection by the City of a continuing, direct annual ad valorem tax sufficient to provide for the payment of principal of and interest on all ad valorem tax debt within the limits prescribed by law. Article XI, Section 4, of the Texas Constitution is applicable to the City, and limits its maximum ad valorem tax rate to $1.50 per $100 taxable assessed valuation for all City purposes. Administratively, the Attorney General of the State of Texas will permit allocation of $1.00 for all general obligation debt service, as calculated at the time of issuance.

RETIREMENT PLAN

The City participates in the Texas Municipal Retirement System which is a joint contributory retirement plan covering all full-time employees. There are no benefits guaranteed other than to the extent provided by employee and employer contributions, plus earnings, accumulated in the individual accounts of employees. The contribution rate for employees is 5% of their annual covered salary. The City is required to contribute at an actuarially determined rate. This rate consists of the normal cost contribution rate and the prior service contribution rate, both of which are calculated to be a level percent of payroll from year to year. The normal cost contribution rate is the actuarially determined percent of payroll necessary to satisfy the obligation of the City to each employee at the time his/her retirement becomes effective. The prior service contribution rate amortizes the unfunded actuarial liability

over the remainder of the plan's 25-year amortization period. For the year ended September 30, 2016 the City recognized a pension expense of $14,090.

For additional information regarding the City's Pension Plans, see Appendix C - "Audited Financial Statements for the Fiscal Year Ended September 30, 2016, Note D – Texas Municipal Retirement System".

INVESTMENT POLICIES

ACCOUNTING PRINCIPLES GENERALLY ACCEPTED IN THE UNITED STATES

The City policy is to adhere to accounting principles generally accepted in the United States (see Appendix C "Audited Financial Statements for the Fiscal Year Ended September 30, 2016").

LEGAL INVESTMENTS

Under State law, the City is authorized to invest in (1) obligations of the United States or its agencies and instrumentalities, including letters of credit; (2) direct obligations of the State or its agencies and instrumentalities; (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States; (4) other obligations, the principal and interest of which is unconditionally guaranteed or insured by, or backed by the full faith and credit of, the State or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation or by the explicit full faith and credit of the United States; (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than "A" or its equivalent; (6) bonds issued, assumed or guaranteed by the State of Israel; (7) certificates of deposit and share certificates meeting the requirements of the Texas Public Funds Investment Act (Chapter 2256, Texas Government Code) (i) that are issued by or through an institution that has its main office or a branch office in the State, and are guaranteed or insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund, or are secured as to principal by obligations described in clauses (1) through (6) or in any other manner and amount provided by law for City deposits or, (ii) where (a) the funds are invested by the City through (I) a broker that has its main office or a branch office in the State and is selected from a list adopted by the City as required by law or (II) a depository institution that has its main office or a branch office in the State that is selected by the City; (b) the broker or the depository institution selected by the City arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the City; (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the City appoints the depository institution selected under (a) above, an entity as described by Section 2257.041(d) of the Texas Government Code, or a clearing broker-dealer registered with the Securities and Exchange Commission and operating pursuant to Securities and Exchange Commission Rule 15c3-3 (17 C.F.R. Section 240.15c3-3) as custodian for the City with respect to the certificates of deposit issued for the account of the City; (8) fully collateralized repurchase agreements that have a defined termination date, are secured by a combination of cash and obligations described in clause (1) require the securities being purchased by the City or cash held by the City to be pledged to the City, held in the City's name, and deposited at the time the investment is made with the City or with a third party selected and approved by the City, and are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in the State; (9) certain bankers' acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least "A-1" or "P-1" or the equivalent by at least one nationally recognized credit rating agency; (10) commercial paper with a stated maturity of 270 days or less that is rated at least "A-1" or "P-1" or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a U.S. or state bank; (11) no-load money market mutual funds registered with and regulated by the United States Securities and Exchange Commission that have a dollar weighted average stated maturity of 90 days or less and include in their investment objectives the maintenance of a stable net asset value of $1 for each share; and (12) no-load mutual funds registered with the United States Securities and Exchange Commission that have an average weighted maturity of less than two years, invest exclusively in obligations described in the this paragraph, and are continuously rated as to investment quality by at least one nationally recognized investment rating firm of not less than "AAA" or its equivalent. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations,

including letters of credit, of the United States or its agencies and instrumentalities in an amount at least equal to the amount of bond proceeds invested under such contract, other than the prohibited obligations described below.

A political subdivision such as the City may enter into securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (6) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than A or its equivalent or (c) cash invested in obligations described in clauses (1) through (6) above, clauses (10) through (12) above, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the City, held in the City's name and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State of Texas; and (iv) the agreement to lend securities has a term of one year or less.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligation s provided that the pools are rated no lower than "AAA" or "AAAm" or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution.

The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

INVESTMENT POLICIES

Under Texas law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that include a list of authorized investments for City funds, the maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the Public Funds Investment Act. All City funds must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under Texas law, City investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly the City's investment officers shall submit an investment report detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, any additions and changes to market value and the ending value of each pooled fund group, (4) the book value and market value of each separately listed asset at the beginning and end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest City funds without express written authority from City Council.

ADDITIONAL PROVISIONS

Under State law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a written instrument by rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and recording any changes made to either its investment policy or investment strategy; (3) require any investment officers with personal business relationships or relatives with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and City Council; (4) require the qualified representative of firms offering to engage in an investment transaction with the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the City and the business organization that are not authorized by the City's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the City's entire portfolio or requires an interpretation of subjective investment standards), and (c) deliver a written statement in a form acceptable to the City and the business organization attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the City's investment policy; (6) provide specific investment training for the treasurer, chief financial officer and investment officers; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (8) restrict the investment in no-load mutual funds in the aggregate to no more than 15% of the City's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

CURRENT INVESTMENTS

As of September 30, 2016, the City's investment portfolio was invested in the following categories. As of such date, the market value of such investments was approximately 100% of their book value.

Type of Investment	Amount
TexSTAR	$66,782
Total	$66,782

TAX MATTERS

In the opinion of Naman, Howell, Smith & Lee PLLC ("Bond Counsel"), based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code"). Bond Counsel is of the further opinion that interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix D hereto.

To the extent the issue price of any maturity of the Bonds is less than the amount to be paid at maturity of such Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest on the Bonds which is excluded from gross income for federal income tax purposes. For this purpose, the issue price of a particular maturity of the Bonds is the first price at which a substantial amount of such maturity of the Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Bonds accrues daily over the term to maturity of such Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Bonds. Beneficial Owners of

the Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of Beneficial Owners who do not purchase such Bonds in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) ("Premium Bonds") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner's basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The Issuer has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Bonds is excluded from gross income for federal income tax purposes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Bonds may otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. For example, the Obama Administration's budget proposals in recent years have proposed legislation that would limit the exclusion from gross income of interest on the Bonds to some extent for high-income individuals. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel is expected to express no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Issuer, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Issuer has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer or the Beneficial Owners regarding the tax-exempt status of the Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Issuer and their appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Issuer legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market

price for, or the marketability of, the Bonds, and may cause the Issuer or the Beneficial Owners to incur significant expense.

CONTINUING DISCLOSURE OF INFORMATION

In the Ordinance, the City has made the following agreement for the benefit of the holders and beneficial owners of the Bonds. The City is required to observe the agreement for so long as it remains obligated to advance funds to pay the Bonds. Under the agreement, the City will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified material events, to the Municipal Securities Rulemaking Board ("MSRB"). Information will be available free of charge via the Electronic Municipal Market Access ("EMMA") system at www.emma.msrb.org.

ANNUAL REPORTS

The City will provide certain updated financial information and operating data to the MSRB annually via EMMA. The information to be updated includes all quantitative financial information and operating data of the general type included in APPENDIX A - Financial Information for the City in Tables 1 through 5 and 7 through 9, and in APPENDIX C. The City will update and provide this information within nine months after the end of each fiscal year.

The City may provide updated information in full text or may incorporate by reference other publicly available documents, as permitted by the United Stated Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "Rule"). The updated information will include audited financial statements if the City commissions an audit and the audit is completed by the required time. If audited financial statements are not available by the required time, the City will provide such financial statements on an unaudited basis within the required time and audited financial statements when they become available. Any such financial statements will be prepared in accordance with the accounting principles described in APPENDIX C or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation.

The City's current fiscal year end is September 30. Accordingly, the City must provide updated information by June 30 in each year, unless the City changes its fiscal year. If the City changes its fiscal year, it will notify the MSRB of the change.

EVENT NOTICES

The City will also provide the following to the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of ten (10) business days after the occurrence of the event, notice of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the City; (13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (14) appointment of successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material. In addition, the City will provide to the MSRB, in a timely manner, notice of any failure by the City to provide the required annual financial information described above under "Annual Reports" in accordance with this section.

For these purposes, any event described in (12) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or

governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

LIMITATIONS AND AMENDMENTS

The City has agreed to update information and to provide notices of material events only as described above. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although holders of Bonds may seek a writ of mandamus to compel the City to comply with its agreement.

The City may amend its continuing disclosure agreement from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, if (i) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the initial primary offering in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the holders of a majority in aggregate principal amount of the outstanding Bonds consent to the amendment or (b) any person unaffiliated with the City (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

If the City so amends the agreement, it has agreed to include with the next financial information and operating data provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information and operating data so provided.

COMPLIANCE WITH PRIOR UNDERTAKINGS

During the last five years, the City has complied with its prior continuing disclosure agreements entered into pursuant to the Rule.

OTHER INFORMATION

RATINGS

The Bonds are rated "AA" by S&P Global Ratings, a division of Standard & Poor's Financial Services LLC ("S&P") based upon the Municipal Bond Insurance Policy to be issued by Build America Mutual Assurance Company. The Bonds have also been assigned an underlying rating of "A" by S&P. An explanation of the significance of such ratings may be obtained from S&P. The rating reflects only the view of S&P and the City makes no representation as to the appropriateness of the rating. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by S&P, if in the judgment of S&P, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds. Neither the Underwriter nor the City has undertaken any responsibility to bring to the attention of the holders of the Bonds any proposed revision or withdrawal of the rating of the Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of such ratings could have an adverse effect on the market price of the Bonds.

LITIGATION

The City is a defendant in various lawsuits and is aware of pending claims arising in the ordinary course of its municipal and enterprise activities. Although the outcome of these cases has not presently been determined, it is the opinion of the City that resolution of these matters will not have a material adverse effect on the financial condition of the City or restrain the City from issuance of the Bonds.

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code) provides that the Bonds are negotiable instruments governed by Chapter 8, Texas Business and Commerce Code, and are legal and authorized investments for insurance companies, fiduciaries, and trustees, and for the sinking funds of municipalities or other political subdivisions or public agencies of the State of Texas. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State of Texas, the Public Funds Investment Act, Chapter 2256, Texas Government Code, requires that the Bonds be assigned a rating of "A" or its equivalent as to investment quality by a national rating agency. See "OTHER INFORMATION - RATINGS" herein. In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with at capital of one million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits of any public funds of the State, its agencies, and its political subdivisions, and are legal security for those deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states.

LEGAL MATTERS

The City will furnish a complete transcript of proceedings incident to the authorization and issuance of the Bonds, including the approving legal opinion of the Attorney General of the State of Texas to the effect that the Bonds are valid and binding obligations of the City, and based upon examination of such transcript of proceedings, the approving legal opinion of Bond Counsel in substantially the form attached hereto as APPENDIX D. Bond Counsel has reviewed the statements and information appearing in the Official Statement under the captions "THE BONDS" (except the subcaptions "Book-Entry-Only System" and "Remedies Of Holders Of The Bonds") and "CONTINUING DISCLOSURE OF INFORMATION" (except the subcaption "Compliance With Prior Undertakings") and Bond Counsel is of the opinion that the statements and information contained therein fairly and accurately reflect the provisions of the Ordinance; further, Bond Counsel has reviewed the statements and information contained in the Official Statement under the captions "TAX MATTERS," "OTHER INFORMATION - Registration And Qualification Of Bonds For Sale," "OTHER INFORMATION - Legal Investments And Eligibility To Secure Public Funds In Texas," and "OTHER INFORMATION - Legal Matters" (except for the last sentence of the first paragraph) and Bond Counsel is of the opinion that the statements and information contained therein fairly and accurately describe the laws and legal issues contained therein. Bond Counsel has not independently verified any of the factual information contained in this Official Statement nor have they conducted an investigation of the affairs of the City for the purpose of passing upon the accuracy, completeness or fairness of this Official Statement. No person is entitled to rely upon such firm's limited participation as an assumption of responsibility for, or an expression of opinion of any kind with regard to, the accuracy, completeness or fairness of any of the information contained herein. The legal fees to be paid to Bond Counsel for services rendered in connection with the issuance of the Bonds is contingent upon the sale and delivery of the Bonds. Certain matters will be passed upon for the

Underwriter by Orrick, Herrington & Sutcliffe LLP, Houston, Texas, Counsel for the Underwriter, whose fee is contingent upon the sale and delivery of the Bonds.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of the expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

AUTHENTICITY OF FINANCIAL DATA AND OTHER INFORMATION

The financial data and other information contained herein have been obtained from City records, audited financial statements and other sources which are believed to be reliable. There is no guarantee that any of the assumptions or estimates contained herein will be realized. All of the summaries of the statutes, documents and resolutions contained in this Official Statement are made subject to all of the provisions of such statutes, documents and resolutions. These summaries do not purport to be complete statements of such provisions and reference is made to such documents for further information. Reference is made to original documents in all respects.

FINANCIAL ADVISOR

In its role as Financial Advisor, Government Capital Securities Corporation has relied on the City for certain information concerning the City and the Bonds. The fee of the Financial Advisor for services with respect to the Bonds is contingent upon the issuance and sale of the Bonds. The Financial Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness, or fairness of the information in this Official Statement.

The Financial Advisor has provided the following sentence for inclusion in this Official Statement. The Financial Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

AUDITED FINANCIAL STATEMENTS

Misty Culpepper, CPA, PLLC, the City's independent auditor, has not reviewed, commented on, or approved, and is not associated with, this Official Statement. The report of Misty Culpepper, CPA, PLLC relating to City's financial statements for the fiscal year ended September 30, 2016 is included in this Official Statement in APPENDIX C; however, Misty Culpepper, CPA, PLLC has not performed any procedures on such financial statements since the date of such report, and has not performed any procedures on any other financial information of the City, including without limitation any of the information contained in this Official Statement.

UNDERWRITING

The Underwriter has agreed, subject to certain conditions, to purchase the Bonds from the City at a price of $3,940,706.58 (representing the principal amount of the Bonds, plus a premium in the amount of $256,240.65, less an underwriting discount of $30,534.07). The Underwriter will be obligated to purchase all of the Bonds if any Bonds are purchased. The Bonds to be offered to the public may be offered and sold to certain dealers (including the Underwriter and other dealers depositing Bonds into investment trusts) at prices lower than the public offering prices of such Bonds, and such public offering prices may be changed, from time to time, by the Underwriter.

The Underwriter has provided the following sentence for inclusion in the Official Statement. The Underwriter has reviewed the information in this Official Statement in acceptance with, and as part of, its responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriter does not guarantee the accuracy or completeness of such information.

FORWARD-LOOKING STATEMENTS

The statements contained in this Official Statement and in any other information provided by the City that are not purely historical are forward-looking statements, including statements regarding the City's expectations, hopes, intentions, or strategies regarding the future. Readers should not place undue reliance on forward-looking statements. All forward-looking statements included in this Official Statement are based on information available to the City on the date hereof, and the City assumes no obligations to update any such forward-looking statements. It is important to note that the City's actual results could differ materially from those in such forward-looking statements.

The forward-looking statements included herein are necessarily based on various assumptions and estimates and are inherently subject to various risks and uncertainties, including risks and uncertainties relating to the possible invalidity of the underlying assumptions and estimates and possible changes or developments in social, economic, business, industry, market, legal, and regulatory circumstances and conditions and actions taken or omitted to be taken by third parties, including customers, suppliers, business partners, and competitors, and legislative, judicial, and other governmental authorities and officials. Assumptions related to the foregoing involve judgments with respect to, among other things, future economic, competitive, and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of the City. Any of such assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this Official Statement will prove to be accurate.

ESTIMATED OVERLAPPING DEBT **TABLE 6**

Expenditures of the various taxing entities within the territory of the City are paid out of ad valorem taxes levied by such entities on properties within the City. Such entities are independent of the City and may incur borrowings to finance their expenditures. This statement of direct and estimated overlapping ad valorem tax bonds ("Tax Debt") was developed from information contained in "Texas Municipal Reports" published by the Municipal Advisory Council of Texas. Except for the amounts relating to the City, the City has not independently verified the accuracy or completeness of such information, and no person should rely upon such information as being accurate or complete. Furthermore, certain of the entities listed may have issued additional bonds since the date hereof, and such entities may have programs requiring the issuance of substantial amounts of additional bonds, the amount of which cannot be determined. The following table reflects the estimated share of overlapping Tax Debt of the City.

Taxing Jurisdiction	As of	Total Debt[(a)]	Estimated % Overlapping	Overlapping Debt
Ellis County	04/30/17	$40,559,914	0.51%	$ 206,856
Italy ISD	04/30/17	12,840,000	55.83%	7,168,572
Estimated (Net) Overlapping Debt				$ 7,375,428
Italy, City of[(b)(c)]				6,494,944
Total Direct & Estimated Overlapping Debt				$13,870,372
As a % of 2016 Certified Taxable Assessed Valuation				19.64%

(a) Gross Debt.
(b) Includes the Bonds.
(c) Does not include outstanding debt payable from maintenance and operations taxes.

PENSION FUND

The City of Italy is part of the Texas Municipal Retirement System.

OTHER POST-EMPLOYMENT BENEFITS

The City also participates in the Texas Municipal Retirement System Supplemental Death Benefit Fund.

APPENDIX B

GENERAL INFORMATION REGARDING THE CITY

THE CITY

The City of Italy is at the junction of U.S. Highway 77 and State Highway 34, on the Blackland Prairie forty-five miles south of Dallas in southwest Ellis County. Although a few families had settled in the vicinity by 1860, the Aycock brothers built the first house on the present site of the town in 1879 and used it as a dwelling, grocery store, and post office. Settlers found the land good for cotton, corn, sweet potatoes, and wheat. The greatest impetus for growth occurred in December 1890, when the Missouri, Kansas and Texas Railroad arrived, and the town became a market center for the surrounding area. The next year the first newspaper was published, and Italy was officially incorporated.

Besides trade and agriculture, residents were attracted to Italy because of its many schools and churches. Italy Institute, Southwestern Normal College, and Hope Institute educated the youth of the community and the surrounding counties. The International-Great Northern Railroad reached the town in 1901. In 1913 the first cream and crimson interurbans opened service between Dallas and Waco on what became the Texas Electric Railway. Cotton ruled the economy by the 1920s, when Italy had five gins, a compress, and a cottonseed oil mill. The main road through Italy, a graded dirt road stretching from Dallas to Waco, was known as the King of Trails Highway. Although the local ice plant produced some electricity for the town, most electricity was brought in from Waco by transmission towers built by the Texas Electric.

The town has become a bedroom community for the Dallas-Fort Worth area. The town sponsors an Italian festival each June and supports the S. M. Dunlap Memorial Library. In 1990 the population was 1,699. The 2000 Census population was 1,993, and the 2010 Census population was 1,863. The 2015 estimated population for the City is 1,897. The City covers approximately 1.8 square miles.

EDUCATION

The City is served by the Italy Independent School District. District campuses include Italy High School, grades 7-12 and Stafford Elementary School, grades Pre-Kindergarten-6. The District is classified 2A by the University Interscholastic League.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council
City of Italy, Texas

I have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Italy, Texas, as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Italy, Texas, as of September 30, 2016, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages pages 4 through 9 and 43 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Italy, Texas's basic financial statements. The individual fund financial statement is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The individual fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the individual fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

CITY OF ITALY, TEXAS

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the City of Italy, we offer readers of the City's financial statement this narrative overview and analysis of the financial activities of the City for the fiscal year ended September 30, 2016.

FINANCIAL HIGHLIGHTS

- The assets of the City of Italy exceeded its liabilities at the close of the most recent fiscal year by $3,099,134 (Net Position).
- The City's total net position increased by $122,066.
- As of the close of the current fiscal year, the City of Italy's general fund reported ending fund balance of $451,208.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements – The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all of the City's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported when the underlying event giving rise to the change occurs, regardless of the timing of related cash flow. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in the future fiscal periods (e.g., uncollected taxes and earned but unused compensated absences).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, streets and economic development. The business-type activities of the City include utility operations.

The government-wide financial statements include not only the City itself (known as the primary government), but also a legally separate higher education facility corporation for which the City is financially accountable. Financial information for this component unit is reported separately from the financial information presented for the primary government itself. Separate financial statements for this component unit are not issued. The Italy Economic Development Corporation, Inc. (Corporation),

although also legally separate, functions for all practical purposes as a part of the City, and therefore has been included as a blended component unit as an integral part of the primary government. Separate financial statements for this component unit are not issued.

The government-wide financial statements can be found on page 10-11 of this report.

Fund Financial Statements – A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories-governmental funds and proprietary funds.

Governmental Funds – Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on current sources and uses of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental fund statements of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains four individual governmental funds. Information is presented separately in the Governmental Fund Balance Sheet and in the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balance for the General fund, Economic Development Corporation and Debt Service fund, which are considered to be major funds. Data from the other funds is combined into a single, aggregated presentation.

The City adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with this budget.

The basic governmental funds financial statements can be found on page 12-14.

Proprietary Funds – The City maintains one type of proprietary fund. The enterprise fund is used to report the same functions presented as business-type activities in the government-wide financial statements. The utility fund accounts for the activities of the water distribution system, the sewage facilities, and trash collection.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Utility fund since it is considered to be a major fund of the City.

The basic proprietary fund financial statements can be found on pages 15-17 of this report.

Notes to the Financial Statements – The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 18-39 of this report.

Other Information – In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the City's General fund and Economic Development Corporation's Budget Comparison Schedules. Required supplementary information can be found on page 43 of this report.

This report also presents an individual fund financial schedule in connection with the utility fund. This individual fund financial schedule can be found on page 46 of this report.

GOVERNMENTAL-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of government's financial position. In the case of the City of Italy, assets exceeded liabilities by $3,099,134 as of September 30, 2016.

The largest portion of the City's net position reflects its investments in capital assets (e.g., land, buildings, improvements, machinery and equipment, construction in progress and infrastructure), less any debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide service to citizens; consequently these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

CITY OF ITALY'S NET POSITION

	Governmental Activities		Business-Type Activities		Total

- Sales tax revenues increased by 21% during the year.
- Charges for services decreased 31% for governmental funds
- Administration expenditures decreased 14%, public safety expenditures decreased 8.3%, streets expenditures decreased 10%, economic development expenditures increased 258%, and utility expenses increased 2.2%

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

Governmental Funds – The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the current fiscal year, the City's governmental funds reported ending fund balance of $980,148. A portion of fund balance is reserved to indicate that it is not available for new spending because it has already been restricted for public safety ($132,720) and for various other purposes ($388,145).

The general fund is the chief operating fund of the City. At the end of the current fiscal year, unassigned fund balance of the general fund was $231,349 while total fund balance was $451,208.

The fund balance of the City's general fund increased $81,687 during the current fiscal year. Other factors concerning the finances of this fund have already been addressed in the analysis of the City's operations.

Proprietary Funds – The City's proprietary fund statements provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the Utility fund at the end of the year amounted to $492,395. Net position decreased in 2016 by $172.5381. Other factors concerning the finances of this fund have already been addressed in the analysis of the City's operations.

General Fund Budgetary Highlights – General fund actual revenues of $1,146,391 exceeded budgeted revenues of $1,005,770 by $140,621. General Fund actual expenditures of $1,192,410 exceeded budgeted expenditures of $1,009,330 by $183,080.

CAPITAL ASSETS

The City's investment in capital assets for its governmental and business-type activities as of September 30, 2016, amounts to $8,901,953 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, buildings, improvements, machinery and equipment, and infrastructure.

Additional information on the City of Italy's long term-debt can be found in Note C on page 29-32 of this report.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

In the fiscal year 2016-2017 Budget, General fund revenues are budgeted to increase by 11% from the 2015-2016 budget year with business and franchise taxes making up about 50% of general fund budgeted revenues.

REQUEST FOR INFORMATION

The financial report is designed to provide a general overview of the City's finances for all those with an interest in the govnerment's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the City Administrator, 101 W. Main St., Italy, Texas 76651.

CITY OF ITALY, TEXAS

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

YEARS ENDED SEPTEMBER 30, 2016

Amounts reported for governmental activities in the statement of activities (page 11) are different because:

Net change in fund balance-total governmental funds (page 13)		$ 112,025
Governmental funds report capital outlays as expenditures, However, in the government-wide statement of activities and changes in net assets, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount of capital outlay recorded as capital assets in the current year.		412,818
The net effect of various transactions involving capital assets (i.e., asset retirement/disposals)		(77,423)
Depreciation expense on capital assets is reported in the government-wide statement of activities and changes in net assets, but does not require the use of current financial resources. Therefore, depreciation expense is not reported as expenditure in governmental funds.		(120,317)
The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets. Also, governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.		
Note payable retired	51,781	
Note payable issued	(190,000)	
Amortization of deferred charges	1,318	
Bond principal retired	85,001	(51,900)
Some property tax and intergovernmental revenues will not be collected for several months after the City's fiscal year end. These are not considered "available" revenues in the governmental funds until received. Change in the amount deferred on fund statements.		(2,300)
Expenditures are recognized in the governmental funds when paid are due for items not normally paid with available financial resources. However, the Statement of Activities is presented on an accrual basis and expenses reported when incurred. This amount is the net effect of these differences:		
Compensated absences expenses	22,686	
Pension costs, net	1,699	24,385
Accrued interest expense on long-term debt is reported in the government-wide statement of activities and changes in net assets, but does not required the use of current financial resources, therefore, accrued interest expense is not reported as expenditures in governmental funds. Change in accrued interest.		(2,683)
Change in net position of governmental activities (page 11)		$ 294,605

The accompanying notes are an integral part of these financial statements.

CITY OF ITALY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2016

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Reporting entity

The City of Italy, Texas (the "City") was incorporated February 12, 1897. The accompanying financial statements present the City and its component unit, an entity for which the government is considering to be financially accountable. The discretely presented component unit is reported in a separate column in the government-wide financial statements (see note below for description) to emphasize that it is legally separate from the City.

Blended component unit. The Italy Economic Development Corporation (the "Corporation") is responsible for collecting and disbursing the one-half percent sales tax to be used for economic development within the City. The seven members of the Corporation's board are appointed by the City and comprised of at least three persons who are not employees, officers, or members of the governing body. The Corporation is presented as a governmental fund and has a September 30 year-end.

Discretely Presented Component Unit. The Italy Higher Education Facilities Corporation (Facilities Corporation) is responsible for benefiting and accomplishing public purposes of, and to act on behalf of, the City pursuant to Section 53.35(b) of the Higher Education Authority Act (Chapter 53, Texas Education Code). The specific purposes for which the Corporation is organized and may issue bonds on behalf of the City are any purposes permitted by the Act including, but not limited to, the financing or refinancing of "educational facilities." The board of directors is appointed by the City Council of the City of Italy, Texas and may be removed by the City Council at will. The Facilities Corporation is presented as a governmental fund type and has a September 30 year-end.

Separate financial statements of the Corporation and Facilities Corporation are not prepared.

2. Government-wide and fund financial statements

The government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) report information on all of the activities of the primary government. For the most part, the effect of the interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is reported separately from the legally separate component unit for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Certain indirect costs have been included as part of the program expenses reported for the various functional activities. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Government-wide and fund financial statements (continued)

Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

3. Measurement focus, basis of accounting, and financial statement presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, inventories of materials and supplies are considered expenditures when used and debt service expenditures, as well as expenditures related to accumulated unpaid sick pay, are recorded only when payment is due.

Property taxes, when levied for, intergovernmental revenues, when eligibility requirements are met, and interest associated with the current fiscal year are all considered to be susceptible to accrual (measurable) and so have been recognized as revenues of the current period, if available. Available has been defined as received with sixty days of the fiscal year end. All other revenue items are considered to be measurable and available only when cash is received by the government.

The City reports the following major governmental funds:

The *general fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *economic development corporation* is responsible for collecting and disbursing the one-half percent sales tax to be used for economic development within the City

The *debt service fu*nd accounts for the resources accumulated and payments made for principal and interest and related costs on long-term general obligation debt of governmental funds.

The City reports the following major proprietary fund:

The *utility fund* accounts for the activities of the garbage collection, the sewage treatment plant, sewage pumping stations and collection systems, and the water distribution system.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Measurement focus, basis of accounting, and financial statement presentation (continued)

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the city's utility function and various other functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the utility enterprise fund are charges to customers for services. Operating expenses for the utility fund include the cost of services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

4. Assets, liabilities, and net position or equity

Deposits and investments -

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, certificates of deposit and short-term investments with original maturities of three months or less from the date of acquisition.

The Corporation is authorized by its governing board to invest in obligations of the U.S. Treasury.

Investments for the City, as well as for the Corporation, are reported at fair value.

Receivables and payables -

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Assets, liabilities, and net position or equity (continued)

Receivables and payables (continued) -

All trade and property tax receivables are shown net of an allowance for uncollectibles. Trade accounts receivables in excess of sixty days comprise the trade accounts receivable allowance for uncollectibles. The property tax receivable allowance is the lesser of .2 percent of the tax levy for each fiscal year or the outstanding property taxes for each fiscal year at year end.

The City's property tax is levied each October 1 on the assessed value listed as of the prior January 1 for all real and personal property. Appraised values are established by the Ellis Central Appraisal District as market value and assessed at 100% of appraised value. Property taxes attach as an enforceable lien on property as of January 1. Ellis County bills and collects property taxes for the City, which are due October 1. Full payment can be made prior to the next January 31 to avoid penalty and interest charges. Over time substantially all property taxes are collected.

Inventory -

All inventories are valued at cost using the first-in/first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Restricted assets -

Certain proceeds of the City's enterprise fund revenue bonds, as well as certain resources set aside for their repayment, are classified as restricted assets on the statement of net position because they are maintained in separate bank accounts and their use is limited by applicable bond covenants. The "revenue bond construction" account is used to report those proceeds of revenue bond issuances that are restricted for use in construction. The "revenue bond debt service" account is used to segregate resources accumulated for debt service payment over the next twelve months.

Capital assets -

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, curbs and gutters, streets and sidewalks, drainage systems and lighting systems), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than $500 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased of constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Assets, liabilities, and net position or equity (continued)

Capital assets (continued) -

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed, net of interest earned on the invested proceeds over the same period. The total interest expense incurred by the utility fund during the current fiscal year was $278,931. Of this amount, $0 was included as part of the cost of capital assets under construction.

Property, plant, equipment and infrastructure assets are depreciated using the straight line method over the following estimated useful lives:

Assets	Years
Buildings and building improvements	15-30
Improvements	10-30
Machinery and equipment	5-20
Infrastructure	20-40
Water rights	40

Deferred inflows/outflows of resources –

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outlfows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has the following items that qualify for reporting in this category: 1) pension contributions after measurement date – these contributions are deferred and recognized in the following year, and 2) difference in projected and actual earnings on pension assets – this difference is deferred and amortized over a closed five year period.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has the following items which qualify for reporting in this category: 1) unavailable revenue, is reported only in the governmental funds balance sheet – this amount is deferred and recognized as an inflow of resources on the period that the amount becomes available, and 2) the difference in expected and actual pension experience is deferred and recognized over the estimated average remaining lives of all members determines as of the measurement date.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Assets, liabilities, and net position or equity (continued)

Pensions –

For purposes of measuring the net pension liability, pension related deferred outflows and inflows of resources, and pension expense, City specific information about its Fiduciary Net Position in the Texas Municipal Retirement System (TMRS) and additions to/reductions from the City's Fiduciary Net Position have been determined on the same basis as they are reported by TMRS. For this purpose, plan contributions are recognized in the period compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. Information regarding the City's Total Pension Liability is obtained from TMRS through a report prepared for the City by TMRS consulting actuary, Gabriel Roeder Smith & Company, in compliance with Governmental Accounting Standards Board (GASB) Statement No. 68, Accounting and Financial Reporting for Pensions.

Compensated absences –

It is the government's policy to permit employees to accumulate earned but unused vacation pay benefits. All vacation pay is accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements. Vacation leave shall be taken during the year following its accumulation.

Long-term obligations -

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Net Position –

Net position represents the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources on the government-wide financial statements. Net positions are classified in the following categories: Net investment in capital assets, restricted net position and unrestricted net position. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the City of through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Assets, liabilities, and net position or equity (continued)

Fund Equity (continued) -

In the general fund, the City strives to maintain an unassigned fund balance to be used for unanticipated emergencies.

When both restricted and unrestricted resources are available for use, it is the government's policy to use externally restricted resources first, then unrestricted resources – committed, assigned, and unassigned, in order as needed.

NOTE B – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

1. Budgetary information

Annual budgets are adopted on a budgetary basis for the general fund. All annual appropriations lapse at fiscal year end. The legal level of budgetary control is the fund level.

2. Excess of expenditures over appropriations in individual funds

The General Fund expenditures exceeded appropriations by $253,625. This excess was funded by excess revenues over budgeted amounts and prior year fund balance in the general fund.

NOTE C – DETAILED NOTES ON ALL FUNDS

1. Deposits and investments

Deposits – State statutes require that all deposits in financial institutions be fully collateralized by U.S. Government obligations or obligations of Texas and its agencies that have a market value of not less than the principal amount of the deposits. The City's deposits were fully insured or collateralized as required by State statutes at September 30, 2016. At year end the bank balance of the City's deposits was $1,373,243. Of the bank balance, $1,091,070 was covered by federal depository insurance and the remaining balance, $282,173, was covered by collateral pledged in the City's name that had a fair value of $1,574,722.

At year end the bank balance of the Corporation's deposits was $179,962. The full balance was covered by federal depository insurance.

At year end the bank balance of the Facilities Corporation's deposits was $208. Of the bank balance, $208 was covered by federal depository insurance.

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

1. Deposits and investments (continued)

Investments – State statutes authorize the City to invest in certificates of deposit, obligations of the U.S. Treasury and the state treasurer's investment pool.

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by the Public Funds Investment Act, and the actual rating as of year-end.

Investment Type	Fair Value	Minmum Legal Rating	Rating as of Year End
TexSTAR	$ 66,782	N/A	AAAm

TexSTAR is considered a cash equivalent on the Government-Wide Statement of Net Position and on the Balance Sheets of the Fund Financial Statements.

The local government investment pool TexSTAR, is managed conservatively to provide safe, efficient and liquid investments to Texas governmental entities. The pool seeks to maintain a $1 value per share as required by the Texas Public Funds Investment Act. Although the pool is not registered with the SEC as an investment company, it operates in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940. GASB 31 allows 2a7-like pools to use amortized cost (which excludes unrealized gains and losses) rather than market value to report net position to compute share price. The fair value of the City's position in the pool is the same as the value of the pool's shares.

TexSTAR is co-administered by First Southwest Asset Management, Inc. and JPMorgan Chase, who provide investment services, participant services and marketing. Custodial, transfer agency, fund accounting and depository services are provided by JPMorgan Chase Bank and/or its subsidiary J.P. Morgan Investor Services Co.

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

2. Receivables

Receivables as of year end for the government's individual major funds and nonmajor funds in the aggregate, including the applicable allowances for uncollectible accounts, are as follows:

	General	Economic Development Corporation	Debt Service	Utility	Total
Receivables:					
Taxes	$ 110,851	$ -	$ 28,621	$ 204,188	$ 343,660
Accounts	-	-	-	-	$ -
Grant	-	14,802	-	-	14,802
Gross receivables	110,851	14,802	28,621	204,188	358,462
Less: allowance for uncollectables	(6,209)	-	(6,308)	(68,078)	(80,595)
Net total receivables	$ 104,642	$ 14,802	$ 22,313	$ 136,110	$ 277,867

3. Capital assets

Capital asset activity for the year ended September 30, 2016, was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
Governmental activities:				
Capital assets not being depreciated:				
Land	$ 143,182	$ 241,757	$ (68,487)	$ 316,452
Construction in progress	124,629	56,578	(63,650)	117,557
Total capital assets not being depreciated	267,811	298,335	(132,137)	434,009
Capital assets being depreciated:				
Buildings	$ 518,292	$ -	$ -	$ 518,292
Improvements	28,643	63,650	-	92,293

Depreciation expense was charged to functions/programs of the primary government as follows:

Governmental activities:	
Administration	$ 12,956
Public safety	48,211
Streets	34,727
Economic Development	24,423
Total depreciation expense - governmental activities	$ 120,317
Business-type activities:	
Utility	$ 551,766
Total depreciation expense - business-type activities	$ 551,766

The City has active construction projects as of September 30, 2016. Total accumulated commitments for ongoing capital projects amount to $44,154. These commitments will be funded though unspent bond proceeds.

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

4. Interfund receivables, payables and transfers

Due to/from other funds:

Receivable Fund	Payable Fund	Amount
General	Utility	$ 70,544
Economic development Corporation	General	20,179
Utility	Debt Service	25,752
		$ 116,475

These balances resulted from the lag time between the dates that transactions are recorded in the accounting system and payments between funds are made.

Interfund transfers:

	Transfer Out:			
Transfer In:	Economic Development Corporation	Utility	Debt Service	Total
General	$ 3,600	$ 116,190	$ -	$ 119,790
Utility	-	-	181,499	181,499
	$ 3,600	$ 116,190	$ 181,499	$ 301,289

Transfers are primarily used to move funds from:

- The Corporation to the General Fund for reimbursement of administrative services.
- The Debt Service Fund to the General Fund and Utility Fund for payment of bonds.
- The Utility Fund to the General Fund for operations.

5. Leases

The City is currently purchasing equipment under a lease purchase agreement. The interest on the leases range from 3.78% 6.00%.

The asset acquired through the capital lease is as follows:

Asset	Governmental Activities	Business-Type Activities
Machinery and equipment	$ 181,566	$ 40,295
Less: accumulated depreciation	(53,520)	(10,584)
Total	$ 128,046	$ 29,711

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

5. Leases (continued)

Annual debt service requirements to maturity are as follows:

Year Ending September 30	Governmental Activities Capital Lease Obligations Principal	Governmental Activities Capital Lease Obligations Interest	Business-Type Activities Capital Lease Obligations Principal	Business-Type Activities Capital Lease Obligations Interest
2017	$ 69,932	$ 10,396	$ 5,519	$ 1,098

	$ 288,614	$ 47,370	$ 29,663	$ 3,374

6. Long-term debt

General Obligation Bonds and Certificates of Obligation –

General obligation bonds and certificates of obligation provide funds for the acquisition and construction of major capital equipment and facilities. General obligation bonds are direct obligations issued on a pledge of the general taxing power for the payment of the debt obligations of the City.

The 2012 Sales Tax Revenue Bond constitute direct tax obligations of the Economic Development Corporation payable from pledged revenues, which included the proceeds of a one-half of one percent sales and use tax levied for the benefit of the Corporation by the City.

Certain certificates of obligation are to be repaid by revenues of the Enterprise Fund.

Certificates of Obligation currently outstanding and reported as liabilities of the City's business-type activities are:

Series	Issue Amount	Maturity Date	Interest Rate	Year-end Balances
2007	$ 5,255,000	8/1/2032	4.0-15.0%	$ 4,050,000
2011	$ 2,650,000	8/18/2031	4.99%	2,220,000
				$ 6,270,000

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

6. Long-term debt (continued)

General obligation bonds currently outstanding and reported as liabilities of the City's governmental activities are:

Series	Issue Amount	Maturity Date	Interest Rate	Year-end Balances
2011	$ 750,000	8/1/2022	2.39%	$ 424,944

Revenue bonds currently outstanding and reported as liabilities of the City's governmental activities are:

Series	Issue Amount	Maturity Date	Interest Rate	Year-end Balances
2012	$ 360,000	2/15/2027	3.26%	$ 279,998

Annual debt service requirements to maturity are as follows –

Facilities Corporation –

In September 2000, the Italy Higher Education Facilities Corporation issued an Education Revenue Bond, Series 2000 to provide financial assistance to an institution of higher education for financing or refinancing the cost of certain land, buildings, facilities and improvements. The bond is secured by the property financed and loan payments to be received from a note agreement between the Italy Higher Education Facilities Corporation and the institution of higher education. The bond is payable solely from payments to be received from the note agreement. The bond does not constitute a debt or pledge of the faith and credit of the Italy Higher Education Facilities Corporation, the City of Italy, Texas, the State of Texas, nor any political subdivision thereof, and accordingly has not been reported in the accompanying financial statements. At September 30, 2016, the 2000 Education Revenue Bond outstanding aggregated $3,029,774.

In July 2008, the Italy Higher Education Facilities Corporation issued an Education Revenue Bond, Series 2008 to provide financial assistance to an institution of higher education for financing or refinancing the cost of certain land, buildings, facilities and improvements. The bond is secured by the property financed and loan payments to be received from a note agreement between the Italy Higher Education Facilities Corporation and the institution of higher education. The bond is payable solely from payments to be received from the note agreement. The bond does not constitute a debt or pledge of the faith and credit of the Italy Higher Education Facilities Corporation, the City of Italy, Texas, the State of Texas, nor any political subdivision thereof, and accordingly has not been reported in the accompanying financial statements. At September 30, 2016, the 2008 Education Revenue Bond outstanding aggregated $2,786,453.

In December 2013, the Italy Higher Education Facilities Corporation issued an Education Revenue Bond, Series 2013 to provide financial assistance to an institution of higher education for financing or refinancing the cost of certain land, buildings, facilities and improvements. The bond is secured by the property financed and loan payments to be received from a note agreement between the Italy Higher Education Facilities Corporation and the institution of higher education. The bond is payable solely from payments to be received from the note agreement. The bond does not constitute a debt or pledge of the faith and credit of the Italy Higher Education Facilities Corporation, the City of Italy, Texas, the State of Texas, nor any political subdivision thereof, and accordingly has not been reported in the accompanying financial statements. At September 30, 2016, the 2013 Education Revenue Bond outstanding aggregated $2,220,000.

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

6. Long-term debt (continued)

Net Pension Liability –

The net pension liability represents the liability for employee's for projected pension benefit payments to be provided to current active and inactive employees that is attributed to those employee's past periods of service less the amount of the pension plan's fiduciary net position.

Changes in long-term liabilities –

Long-term liability activity for the year ended September 30, 2016, was as follows:

	Beginning Balance	Additions	Reductions	Ending Balances	Due Within One Year
Governmental activities:					
General obligation bonds	$ 489,944	$ -	$ (65,000)	$ 424,944	$ 65,000
Revenue bonds	299,999	-	(20,001)	279,998	20,000
Capital lease/Notes payable	150,395	190,000	(51,781)	288,614	69,932
Net pension liability	95,114	16,798	-	111,912	-
Compensated absences	36,778	29,337	(52,023)	14,092	14,092
Governmental activity Long-term liabilities	$ 1,072,230	$ 236,135	$ (188,805)	$ 1,119,560	$ 169,024
Business-type activities:					
Certificates of obligation	$ 6,560,000	$ -	$ (290,000)	$ 6,270,000	$ 295,000
Capital lease obligations	34,985	-	(5,322)	29,663	5,519
Net pension liability	29,355	15,471	-	44,826	-
Compensated absences	6,299	12,375	(10,271)	8,403	8,403
Business-type activity Long-term liabilities	$ 6,630,639	$ 27,846	$ (305,593)	$ 6,352,892	$ 308,922

Governmental general obligation bonds will be liquidated by the debt service fund. Governmental capital lease obligations, note payable and compensated absences will be liquidated by the general fund.

Certificates of obligations issued for business-type activities are repaid from those activities as well as a portion of ad valorem tax from the general fund. Capital lease obligations and compensated absences payable for business-type activities are repaid from those activities.

NOTE C – DETAILED NOTES ON ALL FUNDS (continued)

7. Restricted assets

The balances of restricted asset accounts in the proprietary fund are as follows:

Revenue bond debt service account	$ 187,857

NOTE D – OTHER INFORMATION

1. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City maintains commercial insurance coverage covering each of those risks of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

2. Commitments

The City has entered into a contract with the Trinity River Authority (TRA) of Texas whereby the City acquired the right to buy raw water from Richland-Chambers and Cedar Creek Reservoirs for a period of forty years. The City will pay an administration fee of $60 per month increasing by $1.50 per month per year over the term of the agreement. TRA is a governmental agency, which is controlled by directors appointed by the governor. Complete separate financial statements for TRA may be obtained at Trinity River Authority of Texas, 5300 South Collins, P.O. Box 60, Arlington, Texas 76004.

3. Contingencies

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor, cannot be determined at this time although the government expects such amounts, if any, to be immaterial.

NOTE D – OTHER INFORMATION (continued)

4. Texas Municipal Retirement System

Plan Description –

The City participates as one of 866 plans in the nontraditional, joint contributory, hybrid defined benefit pension plan administered by the Texas Municipal Retirement System (TMRS). TMRS is an agency created by the State of Texas and administered in accordance with the TMRS Act, Subtitle G, Title 8, Texas Government Code (the TMRS Act) as an agent multiple-employer retirement system for municipal employees in the State of Texas. The TMRS Act places the general administration and management of the System with a six-member Board of Trustees. Although the Governor, with the advice and consent of the Senate, appoints the Board, TMRS is not fiscally dependence on the State of Texas. TMRS's defined benefit pension plan is a tax-qualified plan under Section 401 (a) of the Internal Revenue Code. TMRS issues a publicly available comprehensive annual financial report (CAFR) that can be obtained at www.tmrs.com.

All eligible employees of the City are require to participate in TMRS.

Benefits Provided:

TMRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the City, within the options available in the state statues governing TMRS.

At retirement, the benefit is calculated as if the sum of the employee's contributions, with interest, and the city-financed monetary credits with interest were used to purchase an annuity. Members may choose to receive their retirement benefit in one of seven actuarially equivalent payment options. Members may also choose to receive a portion of their benefit as a Partial Lump Sum Distribution in an amount equal to 12, 24, 36 monthly payments, which cannot exceed 75% of the member's deposits and interest.

At the date the plan began, the City granted monetary credits for service rendered before the plan began of a theoretical amount equal to two times what would have been contributed by the employee, with interest, prior to establishment of the plan. Monetary credits, also known as the matching ratio, are 200% of the employee's accumulated contributions and are only payable in the form of an annuity.

A summary of plan provisions for the City are as follows:

Employee deposit rate	5.0%
Matching ratio (city to employee)	1 to 1
Years required for vesting	5
Service retirement eligibility (expressed as age / years of service)	60/5, 0/20
Updated service credit	0%
Annuity increase (to retirees)	0% of CPI

NOTE D – OTHER INFORMATION (continued)

4. Texas Municipal Retirement System (continued)

Employees covered by benefit terms –

At the December 31, 2015 valuation and measurement date, the following employees were covered by the benefit terms:

Retirees or beneficiaries currently receiving benefits	9
Inactive employees entitles to but not yet receiving benefits	16
Active employees	16
	41

Contributions –

Under the state law governing TMRS, the contribution rate for each city if determined annually by the actuary, used the Projected Unit Credit actuarial cost method. This rate consists of the normal cost contribution rate and the prior service cost contribution rate, which is calculated to be a level percent of payroll from year to year. The normal cost contribution rate finances the portion of an active member's projected benefit allocated annually; the prior service contribution rate amortized the unfunded (overfunded) actuarial liability (asset) over the applicable period for the city. Both the normal cost and prior service contribution rates include recognition of the projected impact of annually repeating benefits, such as Updated Service Credits and Annuity Increases.

The City contributes to the TMRS Plan at an actuarially determined rate. Both the employees and the City make contributions monthly. Since the City needs to know its contribution rate in advance for budgetary purposes, there is a one-year delay between the actuarial valuation that serves as the basis for the rate and the calendar year when the rate goes in effect.

Net Pension Liability:

The City's Net Pension Liability (NPL) was measured as of December 31, 2015 and the Total Pension Liability (TPL) used to calculate the Net Pension Liability was determined by an actuarial valuation as of that date.

Actuarial assumptions –

The Total Pension Liability in the December 31, 2015 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.5% per year
Overall payroll growth	3.0% per year
Investment Rate of Return	6.75%, net pension plan investment expense, including inflation

NOTE D – OTHER INFORMATION (continued)

4. Texas Municipal Retirement System (continued)

Salary increases were based on a service-related table. Morality rates for active members, retirees, and beneficiaries were based on the gender-distinct RP2000 Combined Healthy Mortality Table, with male rates multiplied by 109% and female rates multiplied by 103%. The rates are projected on a fully generational basis by scale BB to account for future mortality improvements. For disabled annuitants, the gender-distinct RP2000 Disabled Retiree Mortality Table is used, with slight adjustments

Actuarial assumptions used in the December 31, 2015, valuation were based on the results of actuarial experience studies. This experience study was for the period December 31, 2010 through December 31, 2014, first used in the December 31, 2010 valuation. Healthy post-retirement mortality rates and annuity purchase rates were updated based on a Mortality Experience Investigation Study covering 2009 through 2011, and dated December 31, 2013. These assumptions were first used in the December 31, 2013 valuation, along with a change to the Entry Age Normal (EAN) actuarial cost method. Assumptions are reviewed annually. No additional changes were made for the 2014 valuation.

The long-term expected rate of return on pension plan investments was determine using a building-block method in which best estimated ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Discount Rate –

The discount rate used to measure the Total Pension Liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that employee contributions will remain at the current 7% and employer contributions will be made at the rates specified in statute. Based on that assumption, the pension plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the Total Pension Liability.

NOTE D – OTHER INFORMATION (continued)

4. Texas Municipal Retirement System (continued)

Changes in the Net Pension Liability –

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (a) - (b)
Balance at 12/31/14	$ 510,641	$ 386,172	$ 124,469
Changes for the year:			
Service cost	36,775	-	36,775
Interest	35,207	-	35,207
Change in benefit terms	-	-	-
Difference between expected and actual experience	(11,843)	-	(11,843)
Changes in assumptions	-	-	-
Contriubtions - employer	16,404	14,122	2,282
Contributions - employee	-	29,947	(29,947)
Net investment income	-	570	(570)
Benefit payments, including rentals of employee contributions	(52,145)	(52,145)	-
Administrative expense	-	(347)	347
Other changes	-	(18)	18
Net Changes	24,398	(7,871)	32,269
Balance at 12/31/15	$ 535,039	$ 378,301	$ 156,738

Sensitivity of the net pension liability to changes in the discount rate –

The following presents the net pension liability of the City, calculated using the discount rate of 6.75%, as well as what the City's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.75) or 1-percentage-point higher (7.75) than the current rate:

	1% Decrease in Discount Rate	Current Discount Rate	1% Increase in Discount Rate
City's net pension liability	$ 231,799	$ 156,738	$ 95,857

NOTE D – OTHER INFORMATION (continued)

4. Texas Municipal Retirement System (continued)

Pension Plan Fiduciary Net Position –

Detailed information about the pension plan's Fiduciary Net Position is available in a separately-issued TMRS financial report. That report may be obtained on the Internet at www.tmrs.com. Pension Expense and Deferred Outflows of Resourced and Deferred Inflows of Resources Related to Pensions:

For the year ended September 30, 2016, the City recognized pension expense of $14,090. This amount is included as part of Personal Services expenses within the functional program activities.

At September 30, 2016, the City reported deferred outflows and inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Contributions subsequent to the measurement date	$ 11,072	$ -
Difference between projected and actual investment earnings	21,170	-
Differences between actuarial assumptions and actual experience	-	9,694
Changes in actuarial assumptions used	13,427	-
Total	$ 45,669	$ 9,694

Deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date of $11,073 will be recognized as a reduction of the net pension liability for the measurement year ending December 31, 2016 (i.e. recognized in the city's financial statements September 30, 2017). Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Measurement Year ended Dec 31	
2016	$ 5,889
2017	5,889
2018	5,891
2019	5,035
2020	333
	$ 23,037

NOTE D – OTHER INFORMATION (continued)

5. Postemployment Benefits

Program Description –

The City also participates in the cost sharing multiple-employer defined benefit group-term life insurance plan operated by the Texas Municipal Retirement System (TMRS) known as the Supplemental Death Benefits Fund (SDBF). The City elected, by ordinance, to provide group-term life insurance coverage to both current and retired employees. The City may terminate coverage under and discontinue participation in the SDBF by adopting an ordinance before November 1 of any year to be effective the following January 1.

TMRS issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information (RSI) for TMRS; the report also provides detailed explanations of the contributions, benefits and actuarial methods and assumptions used by the System. This report may be obtained from TMRS' website at www.TMRS.org.

The City contributes to the SDBF at a contractually required rate as determined by an annual actuarial valuation. The rate is equal to the cost of providing one-year life insurance. The funding policy for the SDBF program is to assure that adequate resources are available to meet all death benefit payments for the upcoming year; the intent is not to pre-fund retiree term life insurance during employees' entire careers.

The City's contributions to the TMRS SDBF for the years ended 2016, 2015 and 2014 were $60, $84 and $121 respectively, which equaled the required contributions each year.

Schedule of Contribution Rates
Retiree-only portion of the rate

Plan/ Calendar Year	Annual Required Contribution	Actual Contribution Made	Percentage of ARC Contributed
2012	0.01%	0.01%	100.0%
2013	0.01%	0.01%	100.0%
2014	0.02%	0.02%	100.0%
2015	0.01%	0.01%	100.0%
2016	0.01%	0.01%	100.0%
2017	0.02%	0.02%	100.0%

6. Subsequent Event

Subsequent to year end, the City approved to enter into a construction project in relation to the TxCDBG Project No. 7216064 in the amount of $349,050.

Actuarially determined contribution rates are calculated as of December 31st each year and become effective in January, 12 months and a day later.

Methods and Assumptions Used to Determine Contribution Rate for 2016:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll, Closed
Remaining Amortization Period	28 years
Asset Valuation Method	10 Year smoothed market; 15% soft corridor
Inflation	2.50%
Salary Increases	3.50% to 10.50% including inflation
Investment Rate of Return	6.75%
Retirement Age	Experience-based table of rates that are specific to the City's plan of benefits. Last updated for the 2015 valuation pursuant to an experience study of the period 2010-20014
Mortality	RP2000 Combined Mortality Table with Blue Collar Adjustment with male rates multiplied by 109% and female rates multiplied by 103% and projected on a fully generational bases with scale BB.

Re: $3,715,000 City of Italy, Texas General Obligation Refunding Bonds, Series 2017

WE HAVE represented the City of Italy, Texas (the "City"), as its bond counsel with respect to the issuance of the above captioned bonds (the "Bonds"). The Bonds mature, are subject to redemption prior to maturity, bear interest and may be transferred and exchanged as set out in the Bonds, the Ordinance adopted by the governing body of the City authorizing their issuance (the "Ordinance"), and the related Pricing Certificate.

WE HAVE represented the City as its bond counsel for the sole purpose of rendering our opinion with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas and with respect to the exclusion of interest on the Bonds from gross income for federal income tax purposes. We have not been requested to investigate or verify original proceedings, records, data or other material, but have relied solely upon the transcript of proceedings described in the following paragraph. We have not assumed any responsibility with respect to the financial condition or capabilities of the City or the disclosure thereof in connection with the sale of the Bonds.

IN OUR CAPACITY as bond counsel, we have participated in the preparation of and have examined a transcript of certified proceedings pertaining to the Bonds, on which we have relied in giving our opinion. The transcript contains certified copies of certain proceedings of the City; a verification report confirming the sufficiency of the securities purchased (or cash) on deposit in the escrow fund held by the Escrow Agent for defeasance of the obligations being refunded (the "Refunded Obligations") and for payment of the Refunded Obligations to their call dates; and the mathematical

accuracy of certain computations of the yield on the Bonds and obligations acquired with the proceeds of the Bonds; and customary certificates of officers, agents and representatives of the City, and other public officials, and other certified showings relating to the authorization and issuance of the Bonds. We have also examined executed Bond No. T-1 of this issue. We have also examined such applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"), court decisions, Treasury Regulations and published rulings of the Internal Revenue Service (the "Service") as we have deemed relevant.

BASED ON SUCH EXAMINATION, IT IS OUR OPINION THAT:

(A) The transcript of certified proceedings evidences complete legal authority for the issuance of the Bonds in full compliance with the Constitution and laws of the State of Texas presently effective and, therefore, the Bonds constitute valid and legally binding obligations of the City;

(B) A continuing ad valorem tax upon all taxable property within the City, necessary to pay the principal of and interest on the Bonds, has been levied and pledged irrevocably for such purposes, within the limit prescribed by law, and the total indebtedness of the City, including the Bonds, does not exceed any constitutional, statutory or other limitations; and

(C) Firm banking and financial arrangements have been made for the discharge and final payment of the Refunded Obligations, and therefore, the Refunded Obligations are deemed to be fully paid and no longer outstanding except for the purpose of being paid from the funds provided therefor.

THE RIGHTS OF THE OWNERS of the Bonds are subject to provisions of applicable federal bankruptcy laws and any other similar laws affecting the rights of creditors of political subdivisions generally, and may be limited by general principles of equity which permit the exercise of judicial discretion.

IT IS OUR FURTHER OPINION THAT:

(1) Interest on the Bonds is excludable from gross income for federal income tax purposes under existing law;

(2) The Bonds are not "private activity bonds" within the meaning of the Code, and interest on the Bonds is not subject to the alternative minimum tax on individuals and corporations, except that interest on the Bonds may be included in the "adjusted current earnings" of a corporation (other than an S corporation, regulated investment

company, REIT, or REMIC) for purposes of computing its alternative minimum tax; and

(3) The City has designated the Bonds as bank qualified tax exempt obligations under Section 265 of the Code.

In providing such opinions, we have relied on representations of the City, the City's Financial Advisor and the Underwriter(s) with respect to matters solely within the knowledge of the City, the City's Financial Advisor and the Underwriter(s), respectively, which we have not independently verified. In addition, we have assumed for purposes of this opinion continuing compliance with the covenants in the Ordinance and a related tax certificate of the City pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. We have further relied on the certification of the Financial Advisor regarding the mathematical accuracy of certain computations. If such representations or the certifications are determined to be inaccurate or incomplete or the City fails to comply with the foregoing provisions of the Ordinance, interest on the Bonds could become includable in gross income from the date of original delivery, regardless of the date on which the event causing such inclusion occurs. Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of the Bonds.

Owners of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations and individuals otherwise qualifying for the earned income credit. Interest on the Bonds is includable in a corporation’s “adjusted current earnings” and to that extent could subject a corporation to alternative minimum tax consequences. In addition, certain foreign corporations doing business in the U.S. may be subject to the "branch profits tax" on their effectively-connected earnings and profits (including tax-exempt interest such as interest on the Bonds).

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in

gross income for federal income tax purposes. No assurance can be given as to whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures, the Service is likely to treat the City as the taxpayer. We observe that the City has covenanted in the Ordinance not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

Capitalized terms used herein, unless otherwise defined, have the meanings set forth in the Ordinance adopted by the City with respect to the issuance of the Bonds.

Very truly yours,

NAMAN, HOWELL, SMITH & LEE, PLLC

APPENDIX E

SPECIMEN MUNICIPAL BOND INSURANCE POLICY

MUNICIPAL BOND INSURANCE POLICY

ISSUER: [NAME OF ISSUER]

Policy No: _____

MEMBER: [NAME OF MEMBER]

BONDS: $_____ in aggregate principal amount of [NAME OF TRANSACTION] [and maturing on]

Effective Date: _____

Risk Premium: $_____
Member Surplus Contribution: $_____
Total Insurance Payment: $_____

BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

SPECIMEN

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.
